UTAH TRUCK CONVOY

Saturday, 12 September 2009

On Saturday, 12 September 2009, join the *compassionate army* of truck drivers as law enforcement escorts the World's Largest Truck Convoy across the highways and byways to raise awareness and funds for Special Olympics athletes and change attitudes toward people with intellectual disabilities.

The Utah Truck Convoy begins at 12:00pm at **DATS Trucking**, 185 North Redwood Road, North Salt Lake, and ends at **The Rocky Mountain Raceway** in West Valley City. You'll enjoy a pre-convoy party from 12:00pm to 2:00pm at DATS with plenty of food and drinks. You'll also receive the 2009 Law Enforcement Torch Run hat and 2009 Official Truck Convoy t-shirt. We'll leave DATS at 2:30pm and arrive at The Rocky Mountain Raceway at 3:00pm.

Your truck(s) will receive exclusive parking inside the oval track staging area—away from the public parking—for easy arrival and departure. At the raceway, you'll receive free tickets to the races and enjoy another meal with drinks prior to the races! We'll also have a silent auction. And new this year, the first 35 trucks to register will be escorted around the oval track by the pace car during opening ceremonies!

WHAT IS THE WORLD'S LARGEST TRUCK CONVOY?

The Truck Convoy[®] is a celebration of the trucking industry and its support of Special Olympics. It is a unique one-day celebration in which law enforcement makes special allowance and escorts a convoy of trucks through their home towns across the world.

Truckers meet at a staging location and are escorted in convoy to a predetermined destination, such as a raceway, fairgrounds or truck stop, where they are welcomed by the Special Olympics athletes, families, friends, colleagues, law enforcement officers, and the organizations, companies and agencies that make up the trucking industry. A celebration, picnic, barbeque, awards ceremony, etc. is held to recognize participating truckers and the support of the trucking industry. Whatever form the celebration takes, the message is the same: ***"Thank you for your support of Special Olympics athletes and for keeping our communities moving!"***

VEHICLE TYPES

Semi-trucks, truck/trailer combinations, large trucks, low-boys, dump trucks, flat beds, buses, large tow trucks, large box trucks, etc. All trucks entering the convoy must be of 10-GVW or larger.

LEAD TRUCK

Page Brake will be the lead truck in the 2009 World's Largest Truck Convoy for the Utah Truck Convoy,
