Dear Member:

Re: Annual UTA Safety Awards and Presentation Dinner

This is a great opportunity for your company to show customers, drivers, and other employees that safety is important by receiving a UTA Safety Award. Complete the enclosed forms and return them to our office by Tuesday, March 31, 2009.

The Safety Awards will be presented at our Safety Awards Dinner on Thursday, May 8th as part of UTA's Management Conference & Expo at the Dixie Convention Center in St. George, Utah. The UTA Safety Awards Dinner will bring an awareness of the accomplishments of companies that have chosen to make safety a high priority and promote safe driving in Utah.

Please take time to complete and return the enclosed forms to have an opportunity to receive an award. Many UTA companies hang these impressive award plaques in their offices as an accomplishment and reminder to promote trucking safety in Utah and across the nation.

Thank you for your support of UTA and safety in our industry.

Sincerely,

Terry B. Smith
Director of Safety

PS. **Don't forget the deadline is Tuesday, March 31st!** The reporting period is January 1, 2008 to December 31, 2008. Statistics and rates are for statewide operations.
